Mahwah, NJ 07430

Dear Larry Jacobs:

Congratulations! It is with great pleasure we present your company with this Avaya *DeveloperConnection* Compliant Award for successful compliance testing with Avaya Inc.'s S8700 Media Server Multi-connect configuration with DS1 Converter for Remote Port Network connectivity, running Avaya Communication Manager version 2.0.1.

Your company's IPmux-14 TDMoIP Gateway version 1.0 has been compliance tested by Avaya's *DeveloperConnection* Technical Team and has been officially accepted as compliant on October 15, 2004. The Avaya *DeveloperConnection* Compliant Award is now valid, based on the stated version of each party's solution.

Avaya is committed to providing its customers with solutions that are fully compatible with the IPmux-14 TDMoIP Gateway version 1.0. With this successful Compliance testing, Avaya provides customers the assurance of successful product interoperability. By continuing to pursue improvements in product integration, we offer a more cost effective, integrated solution to our customers.

Please look to the Avaya *DeveloperConnection* Program for continued marketing and development support of your product in conjunction with the Avaya S8700 Media Server Multi-connect configuration with DS1 Converter for Remote Port Network connectivity, running Avaya Communication Manager version 2.0.1.

We look forward to continuing our joint success in the future. Again, Congratulations!

Sincerely

Anna Dorcey
DeveloperConnection Program Director
Avaya Inc.
